A MESSAGE FROM THE PRESIDENT

Hello DALWORTH members,

Here we are - half way through the year already! Before you know it our 2014 DALWORTH Board elections will be upon us. Once again, I hope to see more of our members become involved in this wonderful organization and what better way than to consider running for a position on our board. It has been through the commitment of members just like you that DALWORTH has become the strong and enthusiastic association we are today. A description of the duties of officers and directors/board members are contained in the DALWORTH bylaws. A drafted version of the revised DALWORTH Bylaws will be posted on the DALWORTH website within a few weeks. Carefully review each position to see if one would be a good fit for you or for someone you know. If you are interested or know of someone who would be a likely candidate, you will be able to submit their name to Lewis Box who is this year’s chair of our nominating committee. Ballots will be mailed out in November to the association’s members. The results will be announced at our meeting on December 10th.

Our Bylaw revision committee has carefully and painstakingly compared the DALWORTH bylaws to the bylaws of 4 other organizations; NADOA, HADOA, NALTA and DFW-ALTA. The Committee revised DALWORTH’s current bylaws using the best and most appropriate model they found amongst these 4 organizations. Please review the draft and if you have any questions or concerns, please contact myself, Brenda Pirozzolo, Diane Carrera or Kim Henderson who are the Bylaw Revision Committee members. We will vote to approve the final draft of the revised bylaws at the same time we vote for our new board members in November.

I hope everyone has a lovely summer and a good summer holiday season.

Sincerely,

Mya Martin

President
This is your friendly reminder that the NADOA CDOA test will be offered at our 40th Anniversary Institute.

We will offer the NADOA CDOA test on Wednesday, October 2nd at 2:00 PM in Suite 5101/5103 of the Red Rock Casino Resort & Spa, Las Vegas, Nevada.

For those members planning to test, please advise:

Brenda Pirozzolo, CDOA
Brenda.pirozzolo@cgi.com
972-354-8114

The NADOA Institute golf event supporting Wounded Warrior Project:

When: 11:45am, Wednesday, October 2\textsuperscript{nd}

Where: Badlands Golf Club in Las Vegas

All proceeds will go to support Wounded Warrior Project. Guests are welcome.

Contact Josh Lowery to sign up: josh@legacyroyalties.com, 903-262-6412

Pat Handren – Denbury Resources – The Bakken Shale
Our compliments and sincere gratitude to the folks at Compass Royalty Management, a special “Thank You” to Scott Noble for another successful Spring Seminar. Great work guys! I’m sure that I can speak for all of the members of our Dalworth Association when I say that we really appreciate your efforts this year!

The list of excellent speakers for the 2013 Spring Seminar were:

James Bradbury—James Bradbury PLLC—Gas Drilling, Pipelines and Current Texas Legislation

Sharon Clute - Eland Energy, Inc. - Division Orders and Gas Balancing Calculations

Melanie Finnigan—Comstock Oil & Gas—Division of Interest Calculations

Melanie Finnigan—Comstock Oil & Gas—Setting Up the Well Deck from the Division Order Title Opinion

Pat Handren—Denbury Resources—The Bakken Shale Play

Mike Huddleston—hannon, Gracey, Ratliff & Miller LLP—Risk Management and Insurance in the Oil & Gas Industry

Professionals in our industry of this caliber are what keep our members educated and benefit all of our employers to build upper class companies.

Remaining Dalworth meetings:

October 15th dinner meeting location to be announced

November 6th, Board Meeting

December Christmas Party
2013 Educational Events (Cond.)

Congratulations to the following 5 NADOA members who each won a $1500 Scholarship to the 40th Annual Institute in Las Vegas, NV. Thank you to everyone who participated in the drawing.

Connie Wilcoxson, Dorchester Minerals LP
Shirley O’Neal, Concho Resources
Mindy Minor, Cinco Resources/Sedna Energy
Anna McMinn, Merit Energy Company
Pamela Briscoe, Apache Corporation

Revised Dalworth ByLaws

The Dalworth officers have revised our association ByLaws. To review the updates to this document please logon to the Dalworth web site to review all of the updates.

Thank you to our Dalworth Bylaw committee and our Dalworth officers for their commitment of their donated hours toward improving our local organization.
Certification Points
Brenda Pirozzolo, CDOA
NADOA Certification Chairman

This is a reminder to CDOA’s –

Please add a recertification point to the website after attending all DALWORTH meetings that have Division Order related speakers. An overall industry speaker would earn you a non-core point.

**Please remember you have 60 days from the class date to put in your points.

Continuing Education

Each CDOA will be responsible for determining and reporting the number of recertification credits appropriate for a seminar/event attended by the CDOA, subject to audit by the Certification Committee. Each CDOA must complete an NADOA affidavit of attendance and attach a program schedule, including the date, seminar content, and speakers, for each program for which the CDOA wishes to receive credit.

The affidavit will be completed by the CDOA and forwarded to the Committee within sixty (60) days of attendance. The guiding principle in determining accreditation is that the event clearly assists in the professional development of a Division Order Analyst.

Recertification credits may be earned in areas related, but not limited to, Division Orders, business, accounting, geology, ethics, law, and computing. To ensure that the Certified Division Order Analyst maintains a high level of knowledge in the duties associated with Division Order administration, each CDOA must earn twenty-five (25) recertification credits during the five (5) year recertification period through participation in courses relating to technical areas of land, title, and contract analysis as they pertain to Division Order applications.
Continuing Education CDOA Certification Points (Continued)

1. Eight (8) credits will be awarded for each full day of attendance at the NADOA Annual Institute. A full day shall consist of at least six (6) hours of scheduled time. In the event the Institute does not cover a full day, credits will be awarded consistent with Section IV.B.2.

2. Industry related and other relevant college courses will be awarded three (3) recertification credits per semester credit hour. Written proof of completion, with a grade of “B” or better, and accompanying NADOA affidavit of attendance, must be submitted to the Committee within sixty (60) days of course completion.

3. Attendance at other education program shall receive one (1) credit for each one (1) hour of actual classroom attendance. The Certification Committee and the Board of Directors have also approved the recognition of one (1) recertification credit for each two (2) consecutive monthly luncheon programs, or other regularly scheduled educational opportunities, with speakers whose program lasts thirty (30) minutes or longer. To claim the credit, a CDOA must present a completed Affidavit of Attendance with program outlines of the speakers’ presentations to the Certification Committee within sixty (60) days of the latter presentation to obtain credit.

4. A CDOA will receive one (1) credit for each one (1) hour of presentation or instruction of a paper or article they have written, limited to four (4) credits for presenting the same material within a twelve (12) month period.

5. A CDOA will receive certification credits only once in a twelve (12) month period for attendance at identical educational programs.

6. The Certification Committee Chairman, Co-Chairmen, or their designee(s) may assist in the pre-determination of recertification credits, upon request. Pre-determination will be based on the criteria listed in Section IV.B. Written confirmation of the pre-determined recertification credits will be provided within thirty (30) days of receipt of the request.

7. Total credit hours claimed for an educational program are subject to audit, within six (6) months of submittal, by the Committee. In the event a discrepancy occurs between the hours claimed by a CDOA and those awarded based on an audit by the Committee, the CDOA will be notified, in writing, within thirty (30) days of the audit, of the credits awarded. The CDOA may respond within sixty (60) days, providing additional documentation. The Committee will consider the response at the next scheduled meeting of the Committee. Following review, the Committee will notify the CDOA, in writing, within thirty (30) days, of its final decision.
RECENT DALWORTH MEETING ACTIVITIES

Joe T. Garcia’s Restaurant
Ft. Worth, Texas

Our July meeting proved to be a wonderful time for all. Anytime this group of professionals assembles in one place it bound to be an entertaining and rewarding evening. We experienced everything from door prizes, scholarship awards, donations to organizations and a relaxing social evening as well as good food.
